DPF 4200 MATTE/CANVAS

DPF 4200 is a 150 microns white polymeric vinyl film with a clear permanent pressure-sensitive adhesive intended for interior wall applications, available in both Matte and Canvas finishes. The adhesive is specially designed to have initial repositionability to substrates such as smooth to slightly textured painted walls without compromising the ultimate bond. The thickness of the film enables ease of application without the need for an overlaminate. DPF 4200 has a premium stable polycoated lay-flat liner that is optimal for printing on a variety of print systems.

Unique Features:

- ▶ Flexible opaque film which offers high opacity for covering previous graphics and dark substrates
- ▶ Efficient and easy installation with no overlaminate needed
- ▶ Fire certified for Europe and the USA
- ▶ Superior print quality on a wide variety of print systems

Applications:

- ▶ Smooth painted/unpainted walls

Category:

- ▶ Interior wall graphics

Performance & Physical Data

Finish:	Matte or Canvas
Durability (Unprinted):	7 Years Interior
Roll Widths:	1.37 m
Roll Lengths:	45.72 m
Adhesive:	Permanent (Clear)
Release Liner:	Lay-flat Polycoated
Ink Compatibility:	Solvents UV Latex

Certified for
HP Latex Inks
